

青叶公园是位于被指定为自然环境保护区内的自然资源丰富的综合公园。园内保留着自然原貌的森林，能够在此观察到许多野鸟与动植物。并且还设有一周约3.6公里的散策路，夏季可以在此跑步、徒步，冬季可以进行越野滑雪，还是每年春季举办的日航国际马拉松赛路线的一部分。

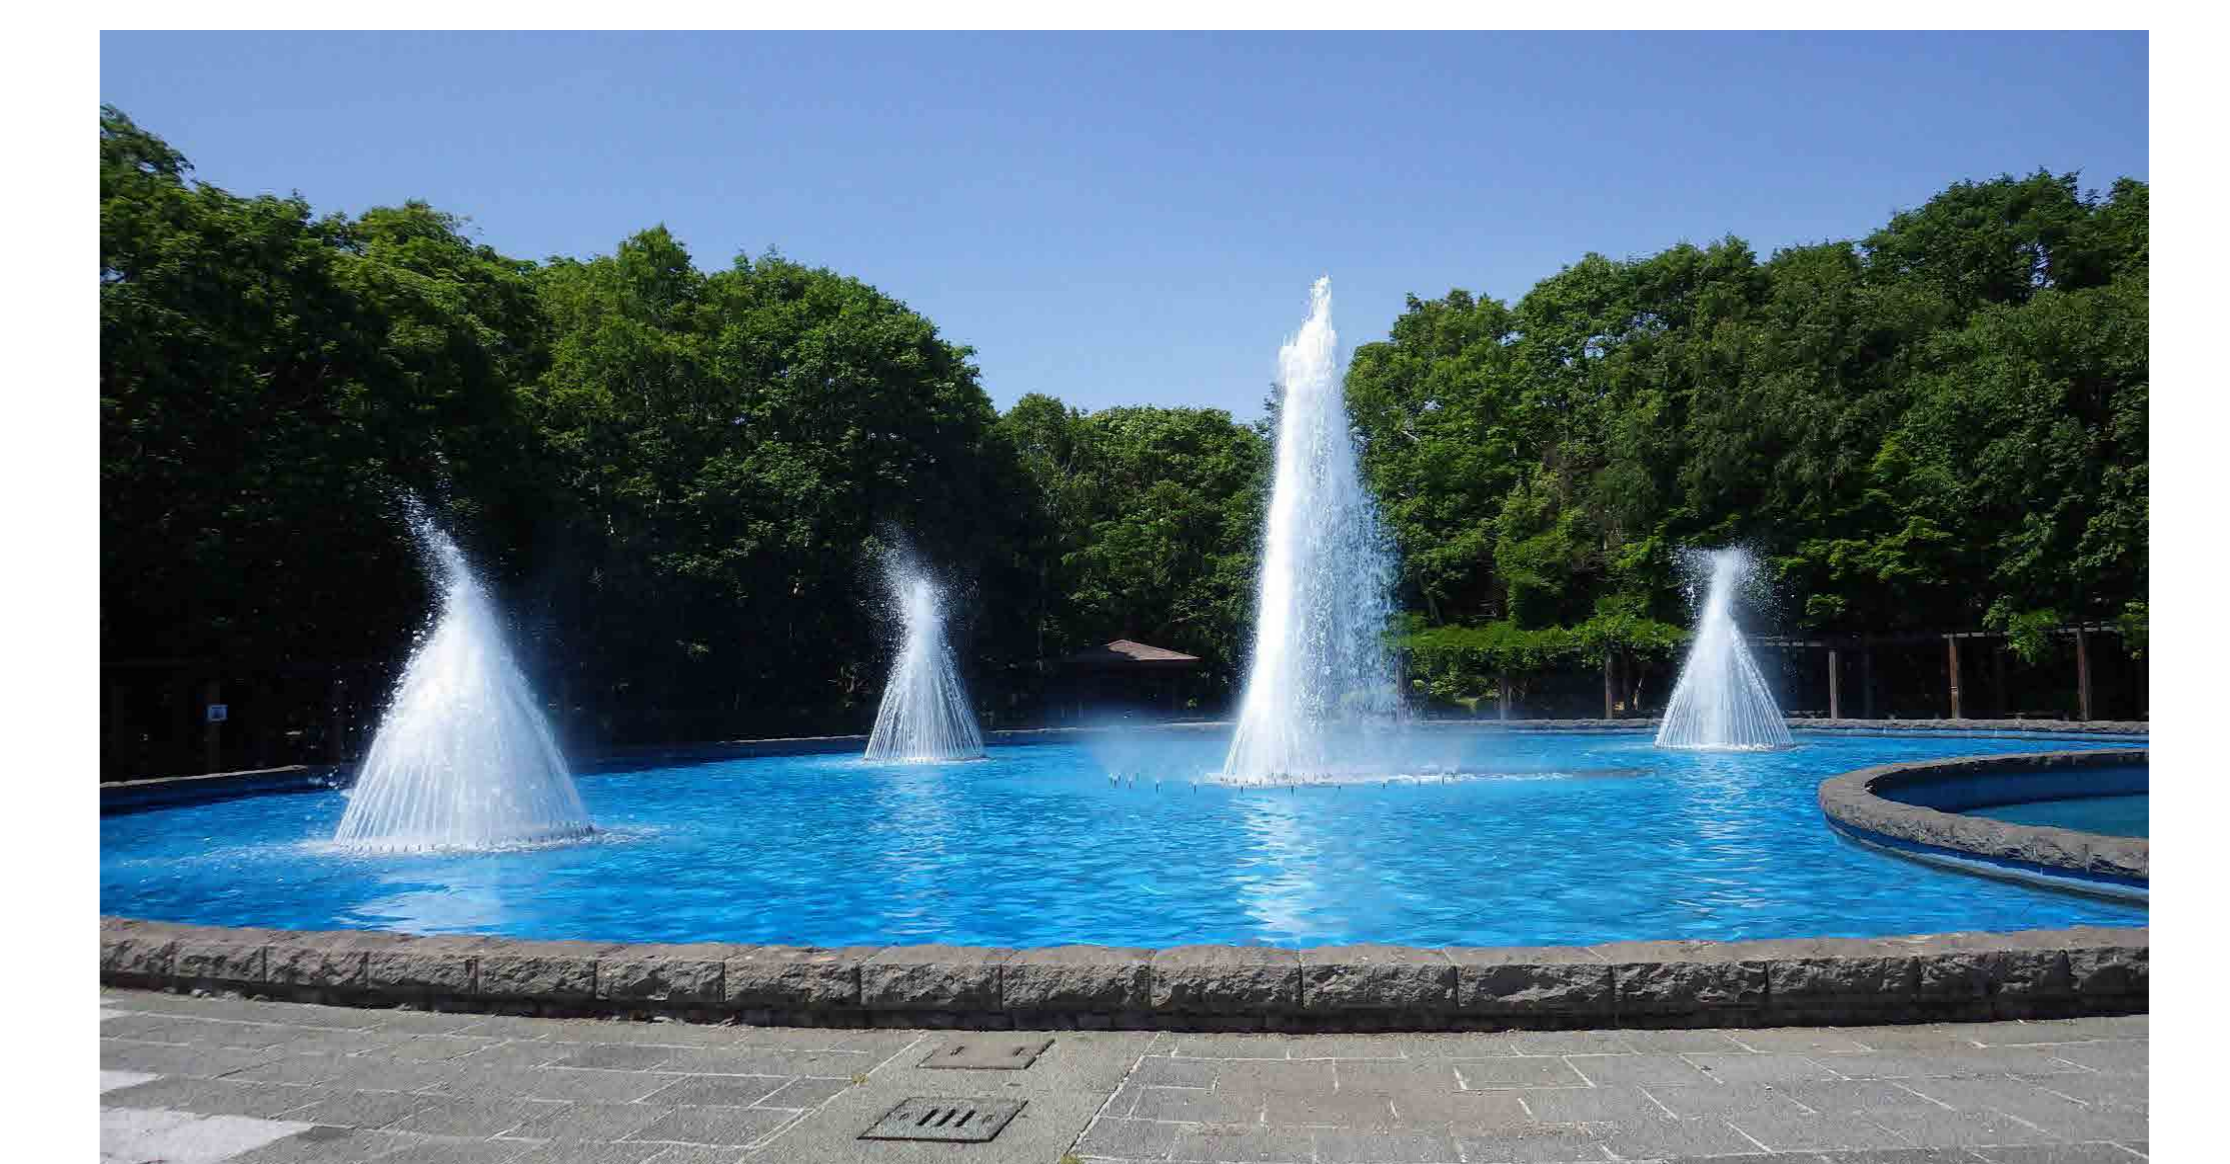

此外，园内还设有能够供儿童玩耍的“友爱广场”、能够进行露营的“野餐广场”、能够在美丽的喷水处玩乐的“中央广场”等，供家庭享乐的设施，以及田径竞技场、棒球场等体育设施。

Aoba Park is a general park with a rich natural environment. It has been designated as a nature conservation area. Inside the park, many areas of natural forests have remained untouched, enticing the visitor with special opportunities to watch various kinds of wild birds, animals and plants in their natural habitat. A circular trail of about 3.6 km can be followed for walking and running in summer and cross-country skiing in winter, it is even part of the annually held JAL International Marathon course.

The whole family can have lots of fun with facilities including “Nakayoshi Hiroba (Square)” playground for small children, “Picnic Hiroba (Square)” space where camping is allowed, and “Chuo Hiroba (Square)” waterscape area with clear fountain water to play in, not to mention the well-equipped sports facilities such as a track & field stadium and a baseball ground.
